

NOTICE OF SCHEDULED POWER OUTAGE

Barton Electric and Orleans Electric will be performing system-wide upgrades during a planned power outage scheduled for:

WEDNESDAY, SEPTEMBER 16TH, 2026
FROM 10:00 PM TO 3:00 AM

(Rain Date: Thursday, September 17th, 2026 – same hours)

These improvements are essential to strengthen our infrastructure, enhance system performance, and support long-term service reliability.

We understand power interruptions are inconvenient, and we appreciate your patience. Our crews will work as efficiently and safely as possible to restore service promptly.
